

Sick and Tired of Bad Golf?

Dear Preferred Golf Client,

Do you find yourself with the same **inconsistent** swing year after year? Are you always getting advice from your friends but never improving. 'Play the ball off your front foot!', 'Slow Down', 'Keep your head down', they are probably telling you. But that just isn't making a difference is it? Fortunately, you now have a better option. You have access to West Michigan's best instruction programs with GrandRapidsGolfLesson.com at The Highlands Golf Academy.

In 2007 I started to use high speed video software and 3D wireless technology (www.k-vest.com) to research what was really happening in my clients golf swings. ***What I found will blow the lid off of all the common golf advice that is floating around the links and...SAVE EVERY GOLFER IN WEST MICHIGAN FROM MISERABLE GOLF!!***

“Hi Scott. The golf game is going much better this year. My average last year on 9 holes was 59. This year it's currently 48. The last couple of weeks I even went 43 and 45. I didn't break 100(or really come close) on 18 all last year. I even shot an 87 at Diamond Springs and a 91 at Quail Ridge playing from the blues.” Justin Lemmen
